Child Advocacy Program for Children & Families
Child Abuse Prevention

Are you passionate about helping children and families, do you want to help make a difference? Come to Franklin County Children's Task Force and be an important role of this work, we will challenge you to do the best work of your life. We are looking for an early childhood educator to support families to foster optimal physical and emotional health and well-being for children and their parents.

The Social Services Department at the Franklin County Children's Task Force is excited to announce a full time opening for a Maine Families-Franklin Family Visitor position. This position is 40 hours a week and based out of our Church Street office in Farmington, Maine. At this time, we are offering a hybrid approach to visiting by providing some in person services and some remotely to ensure the safety of staff and families. Will require travel throughout Franklin County as well as parts of bordering Androscoggin, Kennebec and Somerset Counties. Use of personal vehicle is required, with agency mileage reimbursement. Typical hours are between 8:00-4:30 Monday through Friday; however, occasional early evening hours may be necessary and occasional (no more than 4) weekend days per year. This position offers new competitive wages.

The Maine Families Visitor ensures families in greater Franklin County have the support they need to foster optimal physical and emotional health and well-being for children and their parents. This is done by enhancing family functioning with a focus on increasing parent knowledge, family strengths, problem solving skills and family support systems. The family visitor will assist parents to develop advocacy skills both for themselves and their children, support parents as their child's first and most important teachers, strengthen bonding and attachment between parents and children, and enhance parent's knowledge of their child's development and build positive parenting skills, by following the core beliefs and guiding philosophy outlined in the Maine Families Standards of Practice. Maine Families standard eligibility serves families prenatally up until their child turns the age of 3. For more specific information about the job, contact Rileigh Blanchet at 207-778-6960 or rleigh@fcctf.org.
