

We're Hiring!

Parent Education Professional, Maine Families Visitor in Cumberland and Sagadahoc Counties

- Deliver the Parent as Teachers™ evidence-based home visiting model to affect real change for families
- Support increased parent knowledge of development, early detection of developmental delays, increased school readiness and prevention of child abuse and neglect as a basis
- Build protective factors (such as parental resilience, knowledge of child development and parenting skills, social connections, and social-emotional competence of children) that serve as buffers to reduce risk to young children, prenatal to age three, and families

Impactful work, generous benefits and great colleagues!
